

KENT ROAD PUBLIC SCHOOL

Wednesday 6th March 2019

Dear Parents,

As a student who holds a leadership position at our school, your child has been offered the opportunity to attend The Halogen Young Leaders Day to be held at the International Convention centre in Darling Harbour on Monday 11th March 2019.

The cost of the entry is \$55 but the school will subsidise the cost for each student and cover the bus fare to and from Darling Harbour.

Therefore the cost for each student will be \$45.

The Young Leaders Day is an annual event initiated in 1997 to develop student leadership in schools and build a better future for young people. The days are both inspirational and practical.

The objectives of the day are:

- Inspire students to make positive contribution to their school.
- Motivate students to be great leaders in their area of influence.
- Empower students with practical skills of balancing study, school commitments and social life as well as managing the stress in these areas.
- Promote the value of inspirational and positive role models as examples to others, by exposing students to a diverse range of leaders and their views on leadership.
- Connect students with other students from other schools and develop long term support networks.

Each year a group of high profile personalities speak and interact with the students. The guest speakers consist of top leaders in business, sport, politics, community service, science and the arts. The message of the day develops, as students are challenged not only to reach their personal goals but the goals of those they are leading. Speakers this year include female swimmers Cate Campbell and Leisel Jones.
