Dear Parents and Carers,

The students will walk to and from **Dunbar Park** departing school at 9:10am and returning to school by 3:10pm.

Students are to wear **sports uniform** and will need to **bring their hat, recess and lunch**. Please ensure your child also brings their water bottles. There will be no BBQ or canteen facilities operating on the day.

Please note that students **cannot order from the canteen** on that day.

There is no cost for this carnival.

Due to current COVID guidelines **parents are unable to attend** this year's carnival and will be asked to leave if they attend. Therefore, student will not be able to be taken directly home from Dunbar Park. All students will return to school before being dismissed.

Athletics Carnival

I give permission for _____ in class _____ to attend the **athletics carnival on Thursday 20th August 2020 (or the wet weather back-up 26th August 2020)**. I understand the children will be **walking** to Dunbar Park and will be supervised by teachers at all times.

I understand that my child will receive medical treatment in the case of an emergency.

IMPORTANT NOTE:

When a medical practitioner has prescribed medication (including emergency medication) that will need to be administered during the excursion, parents are responsible for:

- Bringing this need to the attention of the school
- Ensuring that the information is updated if it changes
- Supplying the medication and any 'consumables' necessary for its administration in a timely way. The medication should be well within its expiry date.
- Collaborating with the school in working out arrangements for the supply and administration of the prescribed medication for the duration of the excursion. For some excursions the school will ask you to supply the medication in a different way to what has been already been agreed to by school. You may be asked to supply an additional adrenaline autoinjector (i.e. EpiPen®) for example.
